

**INDOAQUATIC**TRADE

# About Company

---

Indo Aquatic Trade has been a leading seafood trading company in Indonesia since 2021. Run by PT. Niaga Lima Samudra. We are a renowned enterprise devoted to the production and exportation of superior-grade marine products. We exclusively collaborate with local Indonesian fishermen to provide top-notch seafood for worldwide distribution.

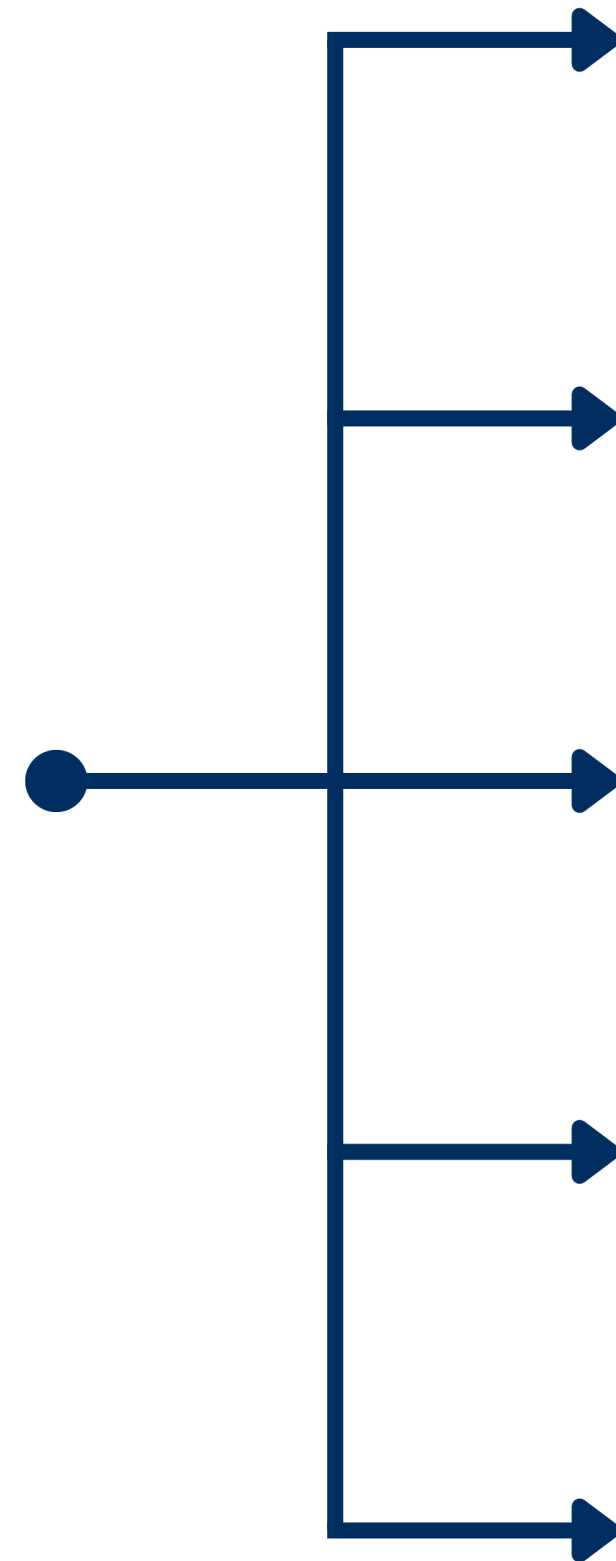

# Our Vision

To be the top choice for quality seafood worldwide,  
while championing sustainability and responsible sourcing

# Our Mission

**Deliver the exquisite seafood sourced from reputable suppliers from Indonesia**

**Lead by example in promoting sustainable practices across the seafood industry**

**Build strong and trustworthy relationships with partners and stakeholders**

**Enhance flow of operations for efficient and effective seafood delivery**

**Support local communities and economies through responsible business practices**

# Our Logo
